

THE GET IT RIGHT INITIATIVE AT 10

THE IMPACT OF GIRI TRAINING

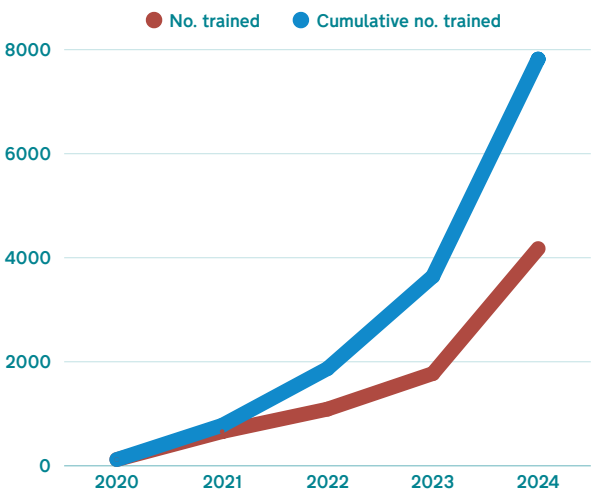

DEVELOPING THE SKILLS TO ELIMINATE AVOIDABLE ERROR

TRAINING IN NUMBERS

Since 2020, GIRI has equipped more than 8,500 people with the tools and techniques to avoid error every day at work.

GROWTH

2024 was our busiest year to date, with a more than 50% increase on the previous year in the number of people trained.

FEEDBACK

97% of delegates would recommend GIRI's error reduction training to a colleague

97%

“One of the most useful and practical training courses on offer.”

COURSE DEVELOPMENT

GIRI training courses were developed for industry, by industry, and launched in 2020. Our Train the Trainer courses were introduced in 2022, and our operatives course is currently in development.
