2. Why does this matter?

Poll 1: Over the last 10 years, what % of your work has involved at least some repurposing of existing buildings, foundations or structures?

Poll 2: Over the next 10 years, what % of your work do you estimate will involve at least some repurposing of existing buildings, foundations or structures?

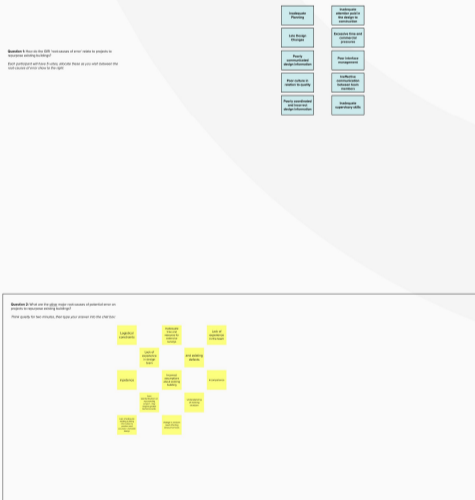

1. Introduction our experience

3. What do we do now to 'Get It Right'?

5. Therefore... what are the new risks?

4. How is repurposing different?
